

## Assignment #2: Frame by Frame Animation

### OBJECTIVE:

Create a motion piece using frame-by-frame animation only.

### GUIDELINES:

I want you to create a mood or personality through animation and movement. You can't use sound, so you need to create feeling through the speed and pacing of your animation, the colors you choose, and the shape & texture of your lines.

### COMMANDMENTS:

- at least 10 seconds
- at least 12 frames per second
- no tweening!
- Do not use photos, video or film footage

### RECOMMENDATIONS:

- render a 640 x 480 movie
- create layers of movement

### TECH SPECS:

- use a compression codec like Sorenson 3 or DV
- Flash, Imageready, Painter
- no sound
- Deliver a Quicktime or Flash movie on CD
